

REMARKS

This Response is submitted in reply to the Office Action mailed on August 22, 2008. The Office Action states that Applicants have not fully complied with the previous Office Action because "Applicant has not indicated which claims read on the elected species." Applicants respectfully submit that all of the claims read on the elected species.

In addition, Applicants have amended Claims 26-37, as well as Claim 42 to depend from Claim 26 which the Patent Office has noted is generic. These amendments do not add new matter, and Claims 42-44 fall within the elected species.

The Commissioner is hereby authorized to charge any fees which may be required or credit any overpayment to Deposit Account No. 02-1818.

Respectfully submitted,
BELL, BOYD & LLOYD LLP
